NOTE FOR APPLICANT

The following Policies And Proposal Contained Within Sandwell Council's Development Plan Are Relevant to the Determination of this Application:

SAD DC 3 - New Developments and Hazardous Substances

The Council will consult the Health and Safety Executive, the Environment Agency and other relevant bodies on all applications for hazardous substances consent and planning permission in the consultation zones around hazardous premises as may be notified from time to time to the Council by the Health and Safety Executive. The Council will not grant planning permission for new developments or grant hazardous substances consent which, when operational, will result in a significant increase to the risk or consequences of a major incident, and/or will adversely impact on the potential for development and/ or redevelopment of adjoining land.
